Introduction

Carlisle Brass is a UK based designer, manufacturer and distributor of high-quality architectural ironmongery. We aim to be the number one choice for our customers. We offer a complete package from specification, scheduling and supply of a huge range of quality ironmongery.

Serozzetta levers are designed to provide beautifully engineered door hardware for the specification market. The SZR range provides a cost effective solution that can be used for both commercial and residential projects.

Carlisle Brass Ltd. is an ISO 9001 and ISO 14001 certified company, which means that Serozzetta branded products are fully traceable from point of manufacture to customer and that the environmental impact is being constantly measured and improved.

Accredited products carrying the Serozzetta brand are stringently tested to ensure they comply to the latest regulations, which makes these branded products the ideal choice for the professional installer, architect or specifier.
